

TalentRISE provides consultative, tailored recruitment solutions to meet an organization's most pressing talent acquisition challenges. Our core service offerings, delivered by a partner-led team of senior consultants and expert recruiters, include retained executive search to fill critical leadership roles; on-demand, project-based contract recruiting for scalable support of internal resources or longer-term recruitment process outsourcing solutions; and talent acquisition consulting to help formulate a roadmap for sustained competitive advantage.

✓ Consultative approach

✓ Transparent methods

✓ Metrics-driven results

CORE SERVICES FOR TALENT ACQUISITION

Executive Search

Our executive search approach sends the right message to candidates and helps us find you the right leaders.

- ✓ No administrative fees charged
- ✓ Few off-limit restrictions
- ✓ 100-day assimilation included

FlexRPO Recruiting

Our delivery model and resources give you cost-effective expertise, only when you need it.

A fully managed, turn-key recruiting team to help:

- Fill multiple roles quickly
- Augment your in-house team during hiring spikes
- Build talent pipeline for future needs

Talent Acquisition Consulting

Rather than deploy broad-based human resource consultants, TalentRISE is sharply focused on recruitment best practices and alignment with your business strategy.
